

Colorado Department of Corrections
Sex Offender Treatment & Monitoring Program

Dear Support Person,

The Sex Offender Treatment and Monitoring Program (SOTMP) at the Colorado Department of Corrections is presenting an education meeting for families, friends and others who are considering supporting someone who has committed a sexual offense in an effort to prevent re-offending. If you are considering or have already decided to support someone, this meeting will help you learn about sex offense specific treatment. Our goal is to help you acquire the knowledge and skills you will need to become an effective component of this person's relapse prevention plan and community supervision team in order to prevent further sexual offending behavior. This will include learning how to: support the person's change efforts; reinforce the person's participation in treatment; support treatment and supervision rules and requirements; develop a cooperative working relationship with the SOTMP and Parole; identify tactics of manipulation and criminal thinking errors and hold the person accountable.

This meeting will be held on **Saturday, September 21, 2019** from 9:30 a.m. to 12:00 noon at the Denver Police Department, 1311 West 46th Ave., Denver, Colorado 80211. To get to the meeting: Take Interstate 25 (I-25) to Denver, take the Interstate 70 West exit and go West to Pecos St. exit, follow the traffic circle and go South on Pecos St. until you get to W. 46th Ave., turn left (East). You will see the Denver Police Department, Substation #1, on your left.

Please let us know (RSVP) if you plan to attend the meeting so we can have enough handouts (and donuts!!) If you do not RSVP by September 20th we will not be able to accommodate your attendance. If you have any special needs please inform us of these when you call to RSVP. Please leave a message, include your name, phone number with area code, number of people attending and the name and DOC # of the person you're representing. This meeting is for adults only.
