I am requesting a copy of my file so that I can comply with the requirements of Senate Bill 18-026 signed by Governor John Hickenlooper on 4/23/18

16-22-113 (2)(b), (2)(e), (2)(f) and 2.5(C)(f)(g)

(b) Within twenty-one days after filing the petition, the petitioner shall file with the court copies of the return receipts received from each party notified and any documents supporting his or her eligibility to petition to discontinue registration. The supporting documents must include records documenting the completion of treatment if ordered by the court, when such records are available.

(e) In determining whether to grant the petition, the court shall consider any treatment records provided pursuant to subsection (2)(b) of this section, any written or oral statement of the victim of the offense for which the petitioner was required to register, and any other relevant information presented by the petitioner or district attorney.

Treatment records are only required to be kept by the provider for 7 years. I cannot petition the court for a minimum of 10 years after having completed probation and I need a complete copy of my file to comply with SB18-026. Please contact me with the expected completion date.
